Five Miniatures

Astor Piazzolla
arr. by Luigi Morleo

\$15.95

HoneyRock

Luigi Morleo's arrangement of five pieces by Astor Piazzolla ("Dernier Lamento," "Se Termino," "Détresse," "Romantico Idilio" and "Fièvre") fits beautifully on the vibraphone. These short pieces can be played

separately or as a set by advanced four-mallet vibists. Morleo has included pedal markings, mallet dampening indications, and notational effects such as dead strokes. Technically, the vibist must be proficient at double vertical, single independent and single alternating strokes.
